Based on Hospital Process Of Care Measures - Heart Failure

No data are available from the hospital for this measure

- 5 The number of cases is too small to reliably tell how well a hospital is performing

48

- 6 The number of cases is too small to reliably tell how well a hospital is performing

- 2 The number of cases is too small to reliably tell how well a hospital is performing

45

- 18 The number of cases is too small to reliably tell how well a hospital is performing

- 2 Data were collected during a shorter period (fewer quarters) than the maximum possible time for this measure., The number of cases is too small to reliably tell how well a hospital is performing

- 20 The number of cases is too small to reliably tell how well a hospital
